

REMARKS

The present Amendment is made to more particularly claim the present invention. Claims 1-28 are pending in the present application. Applicant has amended claims 1, 3, 6, 9, and 10, and has cancelled claims 18-27. Consequently, claims 1-17, and 28 remain pending in the application.

Applicant has amended claim 1 to correct errors in claim 1. Consequently, Applicant respectfully submits that the scope of claim 1 is not narrowed and no new matter is added. Applicant has also amended the specification to more clearly reference related application. Applicant respectfully submits that no new matter is added by the amendment to the specification.

In view of the foregoing, Applicant's attorney believes that this application is in condition for allowance. Should any unresolved issues remain, Examiner is invited to call Applicant's attorney at the telephone number indicated below.

Respectfully submitted,
